Address : At post Andarsul, Yeola Nashik, 423402.

DoB : 04/10/2002

Technical Skills

- Basic C / Core Java / Python
 - MS Office
- WINDOWS/LINUX
 - DBMS/MySQL
 - Advance Excel
 - LaTeX

Key Skills

- Adaptability Creativity
 - Active Listening
 - Communication
 - Quick Learner
- Problem Solving

LANGUAGE KNOWN

- English
- Hindi
- Marathi

HOBBIES

- Drawing
- Traveling
- Watching Sci-fi Movies

DECLARATION

Respected Sir / Ma'am,
I hereby declare that the
above mentioned information
is correct to best of my
knowledge.

Yours Faithfully,

Anuj Sonawane

PROFESSIONAL SUMMARY

Aspiring MSc in IMCA student seeking opportunities to enhance mathematical and analytical skills through an internship or job role. Tech-savvy and motivated IT enthusiast with a passion for problem-solving and a basic foundation in programming languages such as C, Java and Python.

EDUCATION

2023 - Present

MSc (IMCA)

• At Nowrosjee Wadia College, Pune.

Last sem SGPA – 9.04

2020 - 2023

BSc (Mathematics)

• At Swami Muktanand Sci College, Yeola.

CGPA – 9.18

2019 - 2020

HSC

• At Swami Muktanand Jr. Science College, Yeola.

Percentage - 67.85%

2017 – 2018

SSC

• At Swami Muktanand Vidyalay, Yeola.

Percentage - 83.80%

PROJECT DETAILS

Real-Time Object Detection Using YOLO

Developed a Python-based application for real-time object detection utilizing YOLOv3 and the COCO dataset. Designed an interactive GUI with Tkinter to facilitate object detection from webcam feeds and uploaded files (images/videos). Integrated features like bounding box annotations, file upload processing, and automated output storage in designated folders. Ensured user-friendly operation with controls for real-time detection, file-based processing, and GUI aesthetics. Optimized the system for versatility, detecting various objects like pens, bottles, and cars efficiently. https://lnkd.in/dMeeFC_n
